

AONTAS INFORMATION REFERRAL SERVICE-WEEKLY ANALYSIS
31st August-4th September 2009

Fig 1: General overview of queries received

This week a total of 63 queries were handled by the Information Referral Service, this data does not include information captured from the Which Course Expo in the RDS on the 29th,30th August. A further total of 206 queries were handled by AONTAS staff who staffed a stand and delivered a seminar at the exhibition. A detailed report on these figures will be available for download shortly.

Fig 2: Detailed breakdown of queries

*Of the total 63 queries handled 29 booklets were specifically requested, however a further 19 were disseminated to those seeking grant and access information.
