## Be part of the 2020 AONTAS Adult Learners' Festival

**The Adult Learners' Festival** – taking place from the **2<sup>nd</sup> – 6<sup>th</sup> March** – is a nationwide celebration of adult learning coordinated by AONTAS, the National Adult Learning Organisation. Over the past fourteen years the Festival has become a firm fixture in the Irish adult learning calendar, showcasing the range of learning opportunities available across the country and encouraging adults to try something new. Hundreds of **FREE** events will take place **nationwide** during the festival, including information and taster sessions, tours, lectures, walks, demonstrations and workshops, in a variety of locations including libraries, museums, colleges, community centres and workplaces.

Visit the [One Step Up Calendar](#) for a full list of events taking place across the country.

# Learning For Life

Last year AONTAS celebrated its 50 year anniversary. As the new decade begins, the 2020 Festival aims to encourage Irish adults to explore the local learning options available to them through a week-long programme of events and workshops available throughout the country. The theme of this year's festival is '**Learning For Life**'. **#LearningForLife**, emphasises the role learning plays in community building and social inclusion.

## Why should you get involved?

- **Highlight** your organisation's work, commitment to adult learning and showcase your learners
- **Publicise** adult learning opportunities in your local area
- **Encourage** adults to take the first step back into learning
- **Gain national** exposure for your organisation

## How can you get involved?

- **Host a FREE event** to showcase your work (e.g. a coffee morning, taster session or open day)
- Enter our **Early Bird Draw** to win fantastic prizes to promote and support your organisation and events. The Early Bird Draw is only open to AONTAS members.
- **Join our media campaign** across Facebook, Twitter, radio and press which had a combined reach of 4.1 million in 2019.

*You don't have to be a specific adult learning organisation to take part – everyone can get involved in the AONTAS Adult Learning Festival!*

You can organise a broad range of events and activities or even tailor your already existing event to reflect the aims of the festival and #LearningForLife!

Ideas for events include open days, tours, seminars, workshops, demonstrations, employee awards, information stands and quizzes. You can also conduct events online through a live Twitter chat or a Facebook Live event.
