### Membership Event Support - Application Details

The AONTAS Adult Learners' Festival is a nationwide celebration of adult learning coordinated by AONTAS. Over the past twelve years the festival has become a firm fixture on the adult learning calendar with over 5,000 events taking place nationwide.

In order to support our members to run an event as part of the festival, AONTAS is offering a limited number of €100 contributions. This will be offered on a first come first served basis. Please see further details below.

1. The **membership event support** contribution is available to the first 100 applications that we receive at €100 per organisation.
2. You must keep your receipts to avail of the contribution. Please note this will be paid after the event and on receipt of an application form with attached receipts.
3. Organisations will only receive **one** grant regardless of the number of events they are hosting.
4. Please note that you will be required to use AONTAS Adult Learners' Festival material when promoting your event.
